Restoration Update: Progress continues to be made in the completion phase of the restoration of our church. In the next couple of weeks, work will begin on the pillars in the nave and sanctuary of the church. The pillars will be marbled in appearance to better draw the eye toward the sanctuary and the altar. This work will cause a minor disruption in the use of our church. As the pillars are being painted, pews will need to be removed and then returned. Please avoid these areas of "construction" and we apologize for any inconvenience this might cause. In addition, work will begin soon on an update of the south sacristy. This update will include cabinets, lighting, and flooring. Also coming soon will be the completion of the remodel to the choir loft. As a reminder, only funds previously collected from the Centered on Christ Campaign are used for these restoration efforts. The restoration committee would like to thank the parishioners

Signs & Symbols:

The Catholic Mass is full of signs & symbols. The Church teaches that that the meaning comes from four categories: creation, human culture, the Old Testament and fully revealed in the mission of Christ narrated for us in the New Testament. Every created thing has the impression of God, the Divine Artisan.

It is from scripture that lessons are read and explained in the homily, and psalms are sung;

The prayers, collects, and sound liturgical songs are scriptural in their inspiration and their force, and it is from the scriptures that actions and signs derive their meaning. Pastors should be committed to that "mystagogical" catechesis so dear to the Fathers of the Church, by which the faithful are helped to understand the meaning of the liturgy's words and actions.

Following graduation he served as a full time missionary for 5 years with the Fellowship of Catholic University Students. Last year, Calvin took a position in the Archdiocese of
